### Letter from the Director

Dear Friends,

#### “Choices”...

It's a word we are hearing used a lot during this political season.

As the debate continues we are reminded that we are a ministry of choices. We believe in choices.

#### We choose to love

Love is a choice we make every day here at Heartbeat/Hope Medical, because we believe that loving our clients is a way to create a safe loving atmosphere so that they can make the best decisions for them and the children they are carrying. Love matters, and ultimately, love never fails.

#### We choose the truth

Our society often runs from truth in the name of tolerance, but truth – cradled in the arms of love – is a life changer for someone being tossed about by the winds of an emotional hurricane of hurt, rejection and anger. All of us need to hear the soft whisper of truth; it calms the storm.

#### We choose faithfulness

Faithfulness is a journey, carrying on when some grow weary or frustrated. In a ministry such as ours it is easy to become discouraged at times. That is why we hold fast to faithfulness, knowing God is faithful to us in so many ways – and He never leaves us alone.

Three choices: Love, truth and faithfulness. Each contributes to the joy we see every day here at the center. Thank you to all of you who join us in this journey through your prayers, volunteering and financial support. Each of you is making a choice, and your choice is making a difference on behalf of life and hope for those who come in our door.

We believe in choices – and these three choices are a catalyst as hearts are touched and lives are saved, one at a time.

In Jesus,

Toni

## Bridges News

'Tis the season to have a baby!!! Wow! Our Bridges is hopping with new little bundles of joy everywhere! It seems as though we have a new birth at every meeting. God is good and every one has been born healthy. It is such a blessing to be able to share in the joy of new motherhood! Being the eldest of 7, I have grown up holding and caring for babies, and now that carries through into my adulthood in the form of a "job"! How blessed am I? Thank you, Jesus, for this day and for this place that you have given us to save babies and make an impact on young mother's lives on a daily basis! I would like to give a special thank you to all of our volunteers who make our work here possible! Thank you also to Kristie Baddick, for stepping up and going out of her way these last couple of months to make us some delicious meals, and to the KRAAK foundation for sponsoring our EWYL program!

## iKeep News

The iKeep Program is Heartbeat of Fremont's Character Education Program, which has an emphasis on Abstinence Education. We have been fortunate to have the opportunity to enter the classrooms of various public schools in Sandusky and Ottawa Counties for the past few years. iKeep is more than a "just-say-no" approach. We explore a range of factors, such as media and peer influences, and how they alter one's decision-making while doing so in an appealing, entertaining and educational manner. We boldly take a stance on unhealthy sexual activity and its many consequences.

We are currently looking to fill our iKeep 2011-2012 school calendar. We would appreciate it if you know of any surrounding school that is not being serviced in this manner to give us this information because we strongly feel ALL teens should know his or her character plays a role in their decision-making skills.

Keep iKeep in Prayer as our schedule is as follows:  
October 9-11 (Margaretta High School)  
November 5-9 (Tiffin Columbian)  
December 3-7 (Clyde High School)

## Hope Medical News

I would like to give a huge "Thank You" and some much needed recognition to our volunteer nurses here at Hope Medical. Between Sarah Kleinfelter, Gretchen Jones, and Sandy Nearhood we have been able to provide the center with almost 30 additional nursing hours in September alone! What this means for our clients is obtaining the necessary paperwork to initiate medical coverage, which enables them to make those very important prenatal care visits. We can always use more help! If you are a nurse (LPN or RN) with a current Ohio nursing license and are interested in donating a few hours a month, please, give us a call!!

## Exciting Update!

**Pushing Pedals and Pounding cookies . . .sound intriguing? This was the theme of our 1st annual Cookie Classic held on August 11th, an innovative fundraising idea that was not only fun, but delicious as well. The day began with a timed bike ride on the Northcoast Inland Trail complete with a sweet twist. For every cookie a rider consumed they were able to subtract 3 minutes off their final ride time. Once riders arrived at the finish line they could participate in the other festivities of the event which included: a Classic Car show, a Cookie Judging contest, Cookie decorating, coloring contest, prizes and some great live music by the band ClassicTrendz. Keep watching our newsletter for an announcement of the date for next year's Cookie Classic which is planned to be even bigger than this years event.**

**A special thank you goes out to all who helped make this a fun and successful event!**

## Sexual Integrity News

As we approach the Thanksgiving holiday, we have so much to be thankful for. I find myself so thankful for the clients who walk through the doors of Heartbeat full of fear and uncertainty. That may sound like a very strange thing to be giving thanks for, but I say that because without that fear and uncertainty, they wouldn't be walking into a place where God has called each of us to bring truth and change into their lives and to dispel the lies of the enemy who would persuade them that they are worthless. Instead, we get to believe in them and share truth with them that can change their lives forever in a very powerful and positive way.

I assure you this is not without difficulty, and there are days when we are reminded of the battlefield we are on by challenging circumstances. We do what we do because of our belief that God has a plan and a purpose for every life. The very application of Jeremiah 29:11 is what I try to remember for every person I have the privilege and honor to serve while I am at Heartbeat. I recently prayed with a client, as I usually do at the end of our counseling time, and as the tears flowed down her cheeks. She quietly said, "No one has ever prayed for me before." While we can hope that someone, somewhere has in fact, prayed for every one of these hurting people, we can be assured that on this day at least we have.

According to the [Associated Press](#) more than 7,000 girls get pregnant by the time they are seventeen. It says that more than half of them choose to get an abortion.

Thank you all for helping us to battle these stats, in spite of laws which make it extremely difficult!
