HEARTBEAT HOPE MEDICAL

QUARTERLY NEWSLETTER

A WORD FROM OUR DIRECTOR

As I reflect on the work God has entrusted to Heartbeat, I think of the incredible impact our supporters make in the lives of the clients we serve. Each person who walks through our doors has a unique story, and we have the privilege of meeting them with compassion, encouragement, practical support, and the hope of Christ.

Our Fall Fundraising Banquet is an opportunity to celebrate what God is doing through Heartbeat and to invest in the ministry He has called us to. The generosity of our supporters allows us to continue providing meaningful services to our clients and to be there for them when they need us most.

This year's Scripture theme, John 1:5, says, "The light shines in the darkness, and the darkness has not overcome it." I believe this verse captures the heart of Heartbeat. There are times when our clients may feel overwhelmed by difficult circumstances or uncertain about what the future holds. We want Heartbeat to be a place where they find hope, compassion, and a light that points them toward Christ.

We are especially excited to welcome Toni McFadden as our guest speaker this year. I am looking forward to hearing her share and to gathering with our supporters, friends, and community partners for this special evening.

I would love for you to join us on October 27th and consider inviting someone who may not yet know about the work of Heartbeat. Your presence, your prayers, and your financial support all help make it possible for us to continue serving our clients and shining the light of Christ in our community.

"The light shines in the darkness, and the darkness has not overcome it"
John 1:5

Thank you for believing in Heartbeat and for standing with us. Together, we can continue to bring hope, serve with compassion, and let His light shine.

With gratitude,

Marina Moya

Meet Toni!

Our Fall Fundraiser event speaker this year is Toni McFadden. Toni is an international pro-life advocate, author, and speaker and the founder of the program, Relationships Matter, which seeks to educate the youth on the degradation of sex in our culture while equipping them to engage in healthy relationships.

MEET TAMMY, JAN, AND MADONNA:
TIFFIN VOLUNTEERS SPOTLIGHT

Tammy
A former teacher for Old Fort Schools, she's been volunteering for Heartbeat the last four years. Tammy has been helping with parenting classes and sorting the Blessings Room donations. "The people who you work with are wonderful... you can tell they are there because they truly care," she said about her favorite part about volunteering.

Jan
Jan started serving at our Tiffin center when we first opened and has recently been helping with our material needs distributions. "It is a blessing to be able to give Heartbeat's clients items they need. In addition to material needs, I hope they feel encouragement and hope…" she said.

Madonna
By way of her neice, Madonna started volunteering with client care over a decade ago. "I love people and their stories," she answered when asked about why she serves. "I want to help our clients, and their whole families, be better after visiting Heartbeat." She loves that her role helps make a difference for moms, dads, and their children too.
