### Letter from the Director

Dear Friends,

At Heartbeat, we are susceptible – like any other ministry – to getting caught up in the day to day of meeting the needs of our clients. That’s extremely important. After all, it’s why we are here. But sometimes, the “day to day” can block our vision of what we want to be in one, five or ten years. It is because we are excited about what the Lord is doing now that we want to continually improve.

For instance, our goal is to one day be *the* first choice of any woman in our area who thinks she may be facing a crisis pregnancy.

That’s a tall order, but – with God all things are possible aren’t they? Because we believe this, we dare to dream.

This ministry has had some big dreams and with God, they have come true. We are in a larger space. We have become a medical facility, with a part-time Nurse Manager and an ultrasound machine! I’m sure those dreams seemed like a long shot but – not with God. Now we have dream that we will be able to extend and reach out to the Tiffin area. Tiffin has two colleges and a clear need for our ministry. Impossible? Not with God.

*Dreams become reality when we put them on paper, pray over them and ask a simple question, “Lord, what do you want us to do in the future?”*

When we ask that question, we narrow our focus to the next step in our growth as a ministry and begin to plan – with His help – how to get there.

Our vision is to reach out to change lives and save lives – by offering hope, healing and the love of Jesus.

My question is - who is catching the vision? Who wants to see it come to fruition? Our desire is to see our financial, technology and volunteer support grow in the months and year ahead, so that we can continue putting this plan of action in motion.

Every gift we receive – regardless of the size – brings us one step closer to realizing these goals, these dreams. Thank you for walking with us, partnering financially with us and praying for us. Your gifts are changing hearts and are genuinely appreciated!

Let’s continue to catch the vision and make it happen because with God it **IS** possible!

In Jesus,  
Toni

## 92,000 Dollars and counting... God is Amazing!

We are so excited about the results from our fall fundraiser, "An Evening With Heartbeat". Thanks to so many of you and your faithful hearts, we were able to raise a record amount for Heartbeat/ Hope Medical Center this year. There were also many new faces in attendance the night of our event. People who didn't know who we were, got a glimpse of the many ways that we touch Fremont and the surrounding communities every day, and they were moved to join in the battle to save and change lives!

## BRIDGES NEWS

As I was sitting in my office reflecting on the last couple of months there was one thing that stood out to me, away from the rest of the hustle and bustle of life, it was our big "Event"! This was the best fundraiser that I have attended yet in my time here at Heartbeat! This night made a big impact on my life and the way I feel about the job that I have been given by God! Sometimes we get down trodden and side tracked by our "work" and we forget about the important details of our job and why we are doing it! This year, this night reminded me why I fell in love with this "job"! From all of the new faces to the video and awesome song we were gifted, to the amazing testimonies of the women whose lives we touched and shared Jesus with! Not to mention the comedian who entertained us all night! This night was magical and perfect and made me so proud of where I work and the people I share all of these experiences with! In closing, I would like to wish everyone a very blessed new year, and I look forward to everything the this year has to offer here at Heartbeat! I will be looking for speakers and meal providers for Bridges in the coming year. If anyone is interested please email([bridges@heartfre.com](mailto:bridges@heartfre.com)) me or call us here at Heartbeat (419-334-9079). I would also like to thank the KRAAK foundation for the grant they gifted us.

## HOPE MEDICAL NEWS

On being 40...1973-2013

I suppose ones perspective on forty depends on which side you view it from! I can look back forty years and appreciate the wisdom that was used in establishing this ministry of Heartbeat of Fremont. Our founders probably did not give much thought to what Heartbeat, forty years later, would look like. But God knew! I think forty is significant to God based on the number of times we see it in Scripture. Forty days of rain, Forty years of wandering in the desert eating manna, Forty days on Mt. Sinai for Moses when God gave him the 10 commandments, Jesus fasting for Forty days while being tempted by Satan, and our resurrected Christ appearing to His Apostles forty days after His resurrection! Not one of us can realize the impact this ministry has had on our community. But I am hopeful that one day God will reveal the big picture of all the lives which Heartbeat has touched. Please pray that God will continue to use us to provide hope and encouragement to those who walk through our doors. Our clients may not recall our names, but they will remember their visit...even in forty years!

Lori Peters- Nurse Manager

## INVESTMENT OPPORTUNITY

Are you looking for a way to support Heartbeat and honor someone special in your life at the same time? Perhaps you need to give a gift to someone who has everything. Maybe you are part of civic group or another small group that's interested in making a donation to a local organization. We have a solution for all of these scenarios and your gift will change and save lives. We have a program called "Sponsor a Day" where friends and supporters of Heartbeat have the opportunity to sponsor a day at the center. Day sponsors can choose any day of the year and name that day. Some may choose to name a day for their family or in memory of a loved one. Others may choose to sponsor a relative's birthday, a child's birthday, or an anniversary. Businesses are also welcome to sponsor a day!

Each of Heartbeat's quarterly newsletters will include the "Sponsor a Day Calendar" which will list all of the days that have been sponsored and the name given to that day by the sponsor. The week following your sponsored day, you will receive a letter thanking you for your contribution as well as an update on what happened at Heartbeat during the weeks surrounding your sponsorship. This may include client stories or updates, ultrasound pictures, and statistics on pregnancy testing, counseling, and ultrasounds. The cost to sponsor a day is \$240. This cost is reflective of what it costs to run the basic operations of the center each day and can be paid in monthly installments of \$20 or all at once. This donation is 100% tax deductible.

If you have any questions about the Sponsor a Day program or if you're interested in choosing a day to sponsor for 2013, please call the office at 419-334-9079. Or you can email us at [director@heartfre.com](mailto:director@heartfre.com) with the phrase "Sponsor a Day" in the subject line. Days are selected on a first come first serve basis, so don't delay! Heartbeat would not be able to provide our services without you and your continued support. Thank you!
